I/We have submitted a work entitled:

(the “Work”)

for publication within \_\_\_\_\_ (the “Journal”).

I/We agree to transfer all rights in and to the Work, including copyright and those pertaining to electronic transmission and delivery, exclusively to R.T. Edwards, Inc. (the “Publisher”) on a worldwide basis in all languages upon acceptance of the Work for publication within the Journal. The Publisher agrees that all rights shall revert to the Author(s) if the Work is not published.

I/We warrant the Work to be an original creation of the Author(s), not previously published or under consideration for publication elsewhere, and that all statements of fact therein are true and based on diligent research.

I/We warrant that the Work contains no matter that is scandalous, libelous, obscene, or otherwise contrary to law; and that neither the Work nor the title infringes upon any statutory copyright, common-law right, literary right, trademark, or proprietary right of any third party.

I/We warrant that if the Work contains any previously copyrighted material not in the public domain I/we have secured in writing from the copyright holder all necessary permissions for the use of such text, illustrations, or other material, and will furnish these to the publisher upon request.

I/We agree to indemnify, defend and hold harmless the Publisher and any of its shareholders, officers, employees, associates, agents or representatives from any and all claims, demands, suits, actions, or proceedings based on allegations which, if true, would constitute a breach of any of the foregoing warranties, and any and all liabilities, losses, damages, and expenses (including attorney’s fees and costs) in consequence thereof.

I/We have informed my/our fellow Author(s) – if any – of the terms of this Agreement and am/are empowered by my/our fellow Author(s) to make this Agreement on behalf of my/our fellow Author(s).

Provided the Work retains the original publication copyright notice, the Author(s) may make unlimited copies of the Work for use in classroom teaching or for internal distribution within their institution of employment and/or reuse all or part of the Work in a book edited or written by the Author(s).
